**TO ALL INMATES**

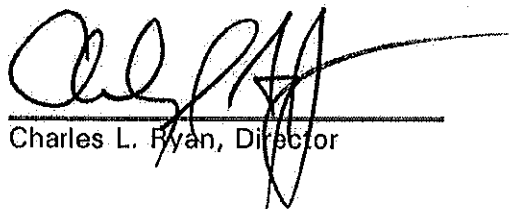

ADC recently issued Inmate Notification 35-11 which explained the new Commissary contract, awarded to Keefe Commissary Network, would be effective October 2, 2011. In addition to changes in pricing, the new contract has a significant change in the dispensing of Over the Counter (OTC) medications.

Currently, inmates may have over the counter medicine dispensed to them during a Health Care Appointment at no charge. **Beginning October 31, 2011**, certain OTC medicines dispensed during a Health Care Appointment will be charged to the inmate at the Commissary listed price. The approved OTC medicines are listed below. Inmates desiring to purchase the identified OTC during their Health Care Appointment will be required to complete ADC Form 905-1, Inmate Request for Withdrawal, in order to receive the OTCs.

Over the Counter medicine will continue to be offered through the Commissary based on the approved Store List. We appreciate your patience during this transition.

**OTC List:**

Aspirin (24 tablets), Ibuprofen (24 tablets), APAP (acetaminophen) (24 tablets), Chlorpheniramine (24 tablets), Liquid Antacid (12 oz), Magnesium Hydroxide (12 oz), Psyllium Fiber Laxative (114 oz), Hydrocortisone, Cream 1% (8 oz), Tolnaftate Cream (1 oz), Triple Antibiotic Ointment (1oz), Hydrocerin Cream (8 oz), Lobana Lotion (8 oz), Carmex (9.92 gm), Hemorrhoid Cream/Ointment (.75 oz tube), Tolnaftate Foot Powder ( 3 oz), Analgesic Balm (3 oz tube), Sun block (30 SPF, 4 oz)
